

## Today's Meeting

# He's Here

In golf, the guys in the green blazers have won the Master's. In Rotary, the guys with the blazers are the closest thing to a Rotary official most members will see: ***the District Governor.***

This morning we welcome **DG Charles M. (Charlie) Barr** from Upland.

Welcomes  
Visiting Rotarians and Guests  
August 1, 2007

For the record, here's what the District 5300 website says about Charlie:

For the Barr family, Rotary is a legacy. Charlie is a third generation Upland Rotarian. His grandfather (Charles V. Barr) joined Upland Rotary Club shortly after it was founded in 1923, and became president in 1928/29. His father (Allan S. Barr) was inducted in the 1940's, and was president in 1963/64. Charlie joined in 1971, and served as club president in 1995/96. Charlie is a multiple-level Paul Harris Fellow and a member of the Paul Harris Society.

Charlie was born in Los Angeles, California. He served six years in the California Air National Guard, three of which he served as a baker. He has a son and daughter; both are Paul Harris Fellows. His professional career has focused mainly on small business ventures. He first worked in banking, and in 12 years climbed his way up the ladder from teller to vice-president/cashier. He spent the next 30 years as a travel agent/owner of a local travel business. At the same time, Charlie also operated a small pub in Laguna Beach. With a grin, he proudly displays his Rotary classification: Saloonkeeper.

Charlie retired from the travel business in 2001 and the pub in 2004. He has made a commitment to use the majority of his time and talents to serve others through Rotary. Charlie has twice been elected to the Upland Rotary Club's Board of Directors and served as the Club's President. During his term as President, the Club chartered an Interact Rotary Club at Hillside High School, a continuation school in the Upland Unified School District.

At the District level he has been a facilitator for RYLA and in 2001 was a founding member of the committee that instituted the Teen Leadership Camp for eighth graders. For two years, he chaired that event. He has also co-chaired a PRLS Seminar, and in 2004, he was selected as the GSE Team Leader to District 4110 in Northern Mexico. He has continued to be active on the Teen Leadership Committee and GSE, serving as the District's Chair for the later part of 2004/05.

Through his travels and personal Rotary experience, he believes that the Foundation is central to promoting world peace. He strongly believes that the use of Foundation matching funds in club-initiated projects is an important way to involve District Rotarians in the alleviation of the conditions of hunger, water-shortage, poverty, disease, and illiteracy in developing countries.

Charlie looks forward to serving District 5300 as its Governor in 2007/08. He relishes the opportunity to support Rotarians' efforts in serving communities at home and around the world.
